Sub: Mines - P.L. - Iron and Manganese ores - Bellary - Bellary Tk. - Belagal village - S.no. 91 - Extent 21.87 acres - Application of Sri Ittigi Veerabhadrappa for grant of.

Ref: From the DJSC no. J/4664/52-1 dt. 8.11.52.

Sri Ittigi Veerabhadrappa of Bellary has applied for the grant of a prospecting licence for iron and manganese ores over an extent of 21.87 acres in S.no 91 of Belagal village, Bellary taluk, for a period of two years. He has remitted Rs 50/- towards the application fee. He holds a Certificate of approval for the year 1952. as well as the Income tax clearance certificate.

The land applied for is an Assessed Waste and it does not contain lime stones. The Collector and the DJSC have recommended the application for the grant of a prospecting licence for two years subject to the conditions on pp 7-8 of which conform to the Govt model conditions prescribed by the Government.

In this connection it is submitted that while considering the suggestion of Sri H. Sitarama Reddi M.P. and Sri R. Suryanarayana that iron bearing areas in Kurnool, Bellary and Salem dts. may be reserved for the proposed iron & steel industry, Govt has ordered that prospecting licences may be issued to the applicants (with in no way committing to grant a mining lease making it clear that the Govt/Govt are considering over the same area as they are considering) the policy of utilising iron ore themselves & no way committed to Basic/Steel lease. In the circumstances it is for orders whether the prospecting licence applied for will be granted in this case. Subject to orders a draft order is submitted for approval
